Scorers Guide 04 / 17

# What is it?

## My Action Replay & CricHQ Integration

CricHQ have teamed up with My Action Replay to bring video capture, analysis and viewing to clubs and teams at all levels around the world. No longer do you require hoards of media experts and performance analysis members indexing video for a match, simply by scoring video can be automatically recorded and indexed.

Put simply a scorer using CricHQ can connect to a camera over wifi, and by scoring as you usually would you can capture, index and publish video of every ball instantly.

Just scoring as per usual will create:

1. Automatic video highlights packages for you fans and players
2. The ability to re-live any ball from the game at your leisure.
3. High performance replay analysis and much more...

**So let's get started!**

# How do I use it?

## Connecting to a camera

1. **Connect to the same Wifi network** the camera
2. Open the app and **setup your match** for scoring
3. **Connect to your camera**
  - a. Select the 'Camera' icon in the top right-hand corner.
  - b. CricHQ will now search for any cameras on your network. Wait for your camera to appear.
  - c. Once you see your camera select it to connect. The camera will turn green and show 'Connected', or move into the connected cameras section when successful.

For more details see our guide here: [How do I connect my scoring device to a My Action Replay camera?](#)

For common problem solving tips see here: [Why can I not see any My Action Replay cameras to connect to?](#)

That's it! Just click cancel or back and you are now connected to your My Action Replay camera. Every ball you score will be automatically recorded and indexed for your game so that you and fans can enjoy.

## Viewing video footage

You can find your video footage via the CricHQ App or online at CricHQ.com.

1. Navigate to 'Matches'
2. Use the filters to find your match
3. Use the video player, or play buttons found on each ball and header, to play back your recorded video

See below for examples of the video outputs.

Albion Cricket Club (DN) Albion Senior 172/6 25.0 overs
